Even some of our long time resort and motel customers may not realize that Cave Springs offers a large selection of Vacation Rental homes for rent in the Dunsmuir and Mount Shasta region. Our Vacation Rentals business offers riverfront and Mount Shasta view vacation cabin, cottage and homes for rent, all withing driving distance of Mt. Shasta, McCloud, Dunsmuir, Castella Soda Creek and the surrounding areas. With many cabins located right on the Upper Sacramento river, these vacation rentals offer larger groups, families and fly fishermen a unique vacation opportunity away from the Cave Springs resort setting.

Our vacation rentals are some of the nicest in the Dunsmuir and Mt. Shasta area. You can choose a vacation rental right on the river, or close to town, so you are sure to find the perfect rental for your getaway! While our famous Cave Springs green resort cabins have been pleasing families and fishermen for nearly 90 years, we think our Dunsmuir and Mt. Shasta vacation rental properties are the answer for those looking to stay outside of our famous Dunsmuir Resort.

Whether you are looking for a relaxing Mt. Shasta view, or upper Sacramento River frontage with fly-fishing out your back-door (or both), we can help you find a vacation rental for your northern California dream vacation.

Take a look at or wide-selection of beautiful vacation cabins, and then book online or call us to discuss your individual vacation rental needs! (888) 235-2721.
